PERMIT REQUEST – PROJECT INFORMATION

1. Project Name: _____

2. Project Location

Canal Number	_____	Nearest Street Intersection	_____
Lot	_____	Block	_____
Section	_____	Township	_____
		Subdivision	_____
		Range	_____

3. Complete description of all works requiring MTWCD permit:

5. How soon after receipt of permit will work commence? _____ days
How many days will be required to complete proposed work? _____ days

6. Attach additional sheets as required.

CERTIFICATION

As the Applicant for Permit I do understand and agree that the OWNER shall own, operate and maintain the permitted works. Any erosion to or shoaling in the canal or flooding due to the permitted works, or failure thereof, shall be the responsibility of the OWNER to remove, repair or correct at no cost to the district. The OWNER agrees to hold and save the district and its successors harmless from any and all damages, claims, or liabilities that may arise from permit issuance. The OWNER further agrees to alter or remove the authorized use or construction as applied for if required in the interest of future drainage requirements of the district.

Responsibility for ownership, operation and maintenance may be transferred to another entity acceptable to the district upon written notification, signed by the OWNER and the new entity that said transfer is requested.
